

## women's art center

An exciting edition to downtown Salt Lake City, has been created to enable women of all artistic levels to grow creatively and emotionally. It is our hope that the center can be a safe and nurturing environment in which women can participate in workshops and classes.

We are also, pleased to provide local, contemporary artists and crafters, male and female, boutique and gallery space to share and exhibit their work.

"The Women's Art Center was founded by Teresa Flowers, a mixed media artist, photographer, instructor, life coach and facilitator. Through her vision the Center was able to grow and establish itself as a one of a kind environment for women to expand their artistic skills, develop a sense of self healing, and connect with others in their community. My mission as the new executive director is to carry on that vision. My hope is that the Women's Art Center can be a place that fosters creative thinking and self expression as a means of personal healing while bringing our community together and exposing the talent of emerging artists."

-Susannah Yaunt-Torreano  
Executive Director, Women's Art Center

Gallery Hours: Wednesday-Friday 12:00-6:00 p.m., Saturdays 1:00-4:00 p.m.
